# BADGY PAPER CARDS

## AN ALTERNATIVE TO PVC...

Badgy all-in-one solutions let you create and print all your customized cards and badges with ease.

It's now  
up to you to  
choose...

.... your preferred  
medium for  
printing!

### PVC CARDS

- For uses that require durability and robustness
- Tamper-resistant
- Optional color printing

### PAPER CARDS

- For short-term use (from a few hours to a few days) or with minimal handling
- Strong enough to resist creasing
- Quality printing at a reduced cost

▶ **Reduced  
environmental impact**

Badgy paper cards are made of FSC (Forest Stewardship Council) paper from sustainably managed forests. They are biodegradable and compostable and can be recycled.

▶ **Quality guarantee**

Tested and validated by our R&D and Quality departments, Badgy paper cards provide a high-quality and professional-looking black monochrome effect, using our BLACKFLEX ribbon.

## ... SUITABLE FOR NUMEROUS APPLICATIONS.

Badgy paper cards provide plenty of customization and printing options.  
Evolis Badge Studio software is included with every Badgy solution,  
so you can create all the cards and badges you need.
